CHALLENGE

LPPL.CA

How It Works:

It's simple: For every book you read, earn a ballot toward the draw prize of your choice.

What counts? Print books, eBooks, and audiobooks. Log each book you finish and choose which draw prize to enter the ballot in (see back page). If you do not include a selection, the ballot will be entered at random. Participants must be ages 19+.

Participate one of two ways:

Online: Log books online using Beanstack. Download the app or visit lpl.beanstack.com/reader365.

Paper: Use this tracking log to track your reading—add an extra page if needed!

Submit your books through the online form or return your tracking log to your local branch by **Saturday, September 6**.

Happy reading!
